Name _____

Date _____

When signed by you (“you” or “Client”) and countersigned by Topitz Design Studio, LLC, a New Jersey limited liability company (“us,” “we” or “TDS”) below, this agreement (“*this Agreement*”) will become a legally binding contract between us setting out all of the terms and conditions of our agreement. Please review this contract carefully, with counsel of your choice, before signing.

MENTORING TERMS

As your Mentor, it is our responsibility to:

- Mentor you with 1 call per calendar month via phone or Skype™ (12 calls in total, up to one hour each).
- Hold you accountable through 1 follow-up call per month. (12 calls in total, up to one half hour each).
- Determine a Design Plan.
- Help move you through your Design Plan.

Your responsibility as a mentored client is to:

- Commit to focusing on and following through with action items that are prioritized each month.
- Be coachable through the process and open to change to achieve the outcomes you desire.
- Do any “Homework” assigned, taking the specific action steps outlined in your session prior to the next session and within established deadlines.

The Mentoring and Implementation Sessions:

In a typical mentoring session, there will be a predictable format and rhythm. After the initial session, action items from the prior month’s discussions will be reviewed, and the mentoring can flow organically from that point. We will expect you to have reviewed the meeting agenda for the monthly call prior to each session and for you to have sent any revisions at least 24 hours prior to the scheduled call, to ensure that our time together is well spent on planning and implementation.

TDS will provide the services of Jodi Topitz (“Jodi”) as mentor to share her experiences, knowledge and expertise, as they are relevant to your situation. The purpose is for Jodi and her team to guide you in the right direction to better equip you to reach your goals faster.

Mentoring, by its nature, is a confidential relationship. Jodi and TDS will keep all information strictly confidential, except in those situations where such confidentiality would violate applicable law. Likewise, information that Jodi shares with you as proposals, or that reveal her processes, thinking or otherwise, is the confidential or proprietary business practices of TDS that are shared with you in confidence as her mentored client. These practices are for your personal use only and may not be disclosed to or shared with others.

The terms for payment for the services to be provided under this Agreement will be established before we begin the mentoring relationship. Those terms will address the form of payment (check, credit card, PayPal®, etc.), procedures for canceled appointments, etc.
